

## **Middletown Psychiatric Center Middletown, New York**

**Owner:** NYS Office of Mental Health

**Total Construction Cost:** \$205,000.00

Rehabilitation and Renovations of Electrical and Fire Alarm Systems, Plumbing System, and new Air Conditioning and Ventilation System to a vacant building to be used for in-patient and out-patient clinics and administrative offices. Electrical design includes new power distribution for dedicated computer power and new air conditioning design, upgrading existing light fixtures to energy saving fixtures. Upgrades in safety systems to meet current code requirements include fire alarm, exit lighting and emergency lighting. This project includes the contractual involvement and supervision of the New York State Dormitory Authority.
