

**Nathan Kline Research Institute
Security Improvements
Orangeburg, New York**

Owner: NYS Office of Mental Health

Total Construction Cost: \$140,000.00

Developed additional security measures, scopes and requirements for a newly constructed building to fulfill facility policy/funding requirements. Designs consisted of construction of several new sallyport, modifications and improvements to existing security systems and installation of alarms and motion detection systems to meet operational needs.

Services included developing technical security system access/retention specifications and engineering/architectural plans.
