

**Niagara Mohawk Power Corporation  
Community Resource Federal Credit Union  
Latham, New York**

**Owner:** Niagara Mohawk Power Corporation

**Total Construction Cost:** \$80,000.00

Project design for renovations and additions to existing 7,000 square foot building. Renovations included upgrading 5,000 square feet improving use of space in the administrative offices and customer service areas. Space planning also needed special attention to accommodate computer and special equipment, as well as an existing large meeting room used for training and members' activities. Building renovations included a covered front entrance vestibule and drive-up service area, as well as upgraded parking facilities, signage and landscaping. Project included upgrading of mechanical, HVAC and electrical systems including interior and exterior lighting, power distribution systems, plumbing design and evaluation/upgrades of heating and cooling systems.
