

**Peebles Island
Exhibit Shop Rehabilitation Study
Waterford, New York**

Owner: NYS Division of Parks, Recreational & Historic Preservation

Total Construction Cost: \$10,000.00

Site surveys and report of existing conditions for the rehabilitation of a museum exhibit shop. Services included inspection of existing mechanical/electrical systems and building envelope and materials to field verify or supplement any critical dimensions required. Preparation of summary report of existing conditions including revisions to the existing conditions drawings provided by the client. Analysis of code compliance requirements (including NYS Building Code, Energy Code, and ADA) were also conducted. Prepared and outline scope for phasing plan and budget estimate for each phase of work.
