

**State Police Communications Center
HVAC Renovations
Albany, New York**

Owner: NYS Office of General Services

Total Construction Cost: \$45,000.00

Provide supplemental cooling for the renovation of the communications center. The majority of the new communications equipment is located in a single room; a dedicated 10 ton air handler serves the needs of this space. There are a number of ductless split systems serving the remaining areas. Services include site investigation and conformance to applicable code requirements necessary to meet special needs of design. This project is part of an approved Consultant Term Contract Work Order with the New York State Office of General Services.
