

Various Statewide Facilities Building Decommissioning and Preservation

Owner: NYS Office of Mental Health

Total Construction Cost: \$4,000,000.00

Engineering Surveys of existing major facilities throughout New York State. Documenting conditions of buildings and actions that should be performed to preserve the mechanical and electrical systems for extensive shut down of the building. The surveys and procedures include large scale steam and electrical distribution systems. This project includes the contractual involvement and supervision of the New York State Facilities Development Corporation.
